As they are completing this dribble hand off, (#1) is beginning his movement into the lane to set a screen for the (#5) man.

3

(#3) comes off the dribble hand off from (#4) looking for the dump down pass to the (#5) man sliding across the lane, pinning and sealing in the paint, looking for the pass from (#3).

If it is not there, (#3) will look for the (#1) man coming off of the down screen from the (#4) man.
