### Greece Set Play vs. Man Defense

Once #5 receives the ball from #4, #1 cuts back up to the top and receives a handoff from #5.

As this action is taking place between #5 and #1, #3 cuts through the lane to the opposite low block area while #2 pops out to the left wing area.

#1 looks to score, hit #4 rolling or pass to #2 in the left corner.

#4 works the low post area by himself while the other four players work the perimeter area, looking to pass and penetrate for scoring or drive and kick out opportunities.
