

Ob under vs. man (11)

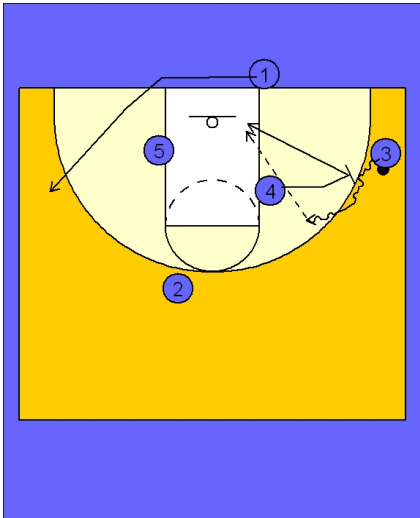

Kansas OB Under vs. Man Defense

Box set to begin.

#3 starts the action by setting a diagonal back screen for #5. As #5 cuts off the back screen, #4 is also moving up to create the "screen the screener" action and will look to pick for #3.

#3 breaks to the corner looking for the inbounds pass.

#1 inbounds and clears out to the opposite side of the floor.

Once #3 has the ball, #4 steps out and executes a screen and roll with #3.

#3 will look to score off the screen or will look for #4 rolling to the basket.

Again, if #4 does not receive the ball directly from the screen and roll action, #3 will look to post #4 on the right block while #5 flashes to the high post looking for the high / low entry.
