Kansas Quick Hitter

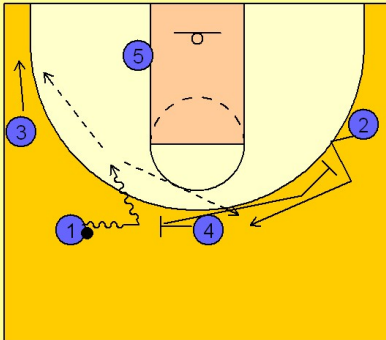

(#4) sets a ball screen for (#1). As (#1) comes off of the screen, (#4) goes and screens again for (#3), bringing him to the top of the key area for a jump shot.

(#1) has the option to drive the gap for a lay-up or jump shot or a kick out pass to (#2) spotting up or a dump off pass in the post to (#5).

(#1) also has the option to fake using the ball screen and cut back with the dribble on the same side of the floor.

If that happens, (#4) turns around and screens for (#2) away on the perimeter, bringing him to the top for a jump shot.

(#1) will again look to penetrate in the gaps for a shot or lay-up or kick out pass to (#3) in the corner or a pass back to the top for (#2) coming off the screen from (#4).
