Press offense (2)

Louisville Press Offense

#2 screens out for #1 breaking across the middle to receive the inbounds pass from #4.

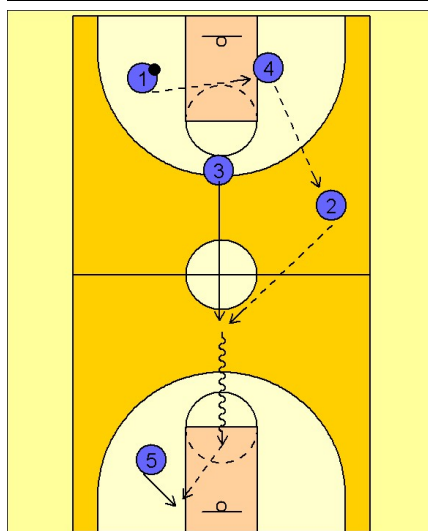

1

Louisville Press Offense

#4 inbounds and steps in opposite the ball. #3 moves to the middle and #2 moves up the right sideline. #5 prepares to move up to receive a deep pass over the top if available.

2

Louisville Press Offense

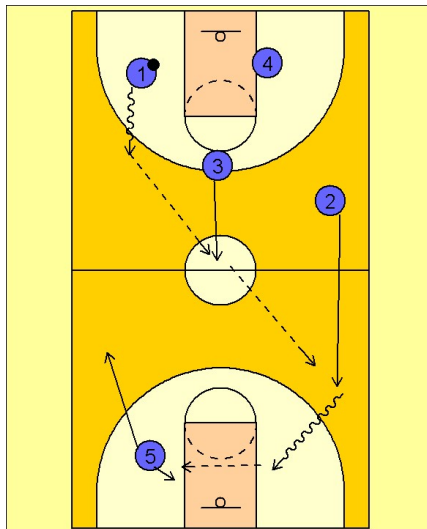

#1 will look to reverse the ball to #4 who will either pass to the middle man or the player up the right sideline #2. At some point the middle man will be an available target as he follows the ball up the floor and from side to side.

3

Louisville

Press offense (2)

4

Louisville Press Offense

#1 may elect to take the ball up the left sideline. If so, #3 continues to follow the ball up the floor while #5 moves up to be a receiver. If the ball enters the middle man, #3, they will look up the floor and attack the basket on the dribble or the pass to either #2 or #5.
