Press offense (3)

Louisville Press Offense

Similar attack on the press with #1 and #3 "x" cutting across to get the ball inbounds. #4 will look first to get the ball to #1.

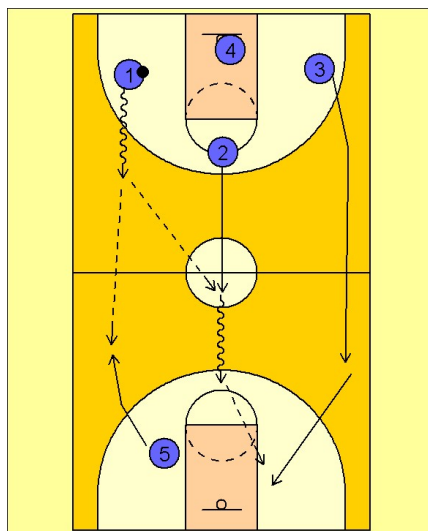

1

Louisville Press Offense

If #1 gets the ball, #2 stays in the middle all the way up the floor while #3 will look to penetrate or pass to the middle and attack the basket. #4 may also pass to the middle and then #2 will either bring the ball up on the dribble or pass to #3 on the right wing and attack.

2

Louisville Press Offense

If #1 elects to keep the ball instead of reversing the ball to #4, he will move up the left sideline while #2 follows in the middle, #3 moves up the right sideline and #5 moves up to be a receiver.
