Louisville Quick Hitter

(#1) dribble clears (#2) down to the block.
(#2) then v-cuts and comes up to the top off of screens by (#5) and (#4).

If (#2) is open for a shot, (#1) may make the pass on top to (#2) for the shot.

Louisville is more concerned about the post up in this situation.

Louisville Quick Hitter

(#5) steps in and posts hard after screening for (#2).

(#1) trys to enter the ball to (#5) in the post. He may use (#4) as a high / low entry. If the ball goes into (#5), (#4) dives to the basket for a pass from (#5) while (#1) screens away on the perimeter for (#2).

(#5) is looking to score or make the kick-out pass to (#2) or the pass to the diving (#4) man.
