Maryland OB Under

#2 breaks out to the ballside corner area. As this is happening, #4 is moving out to set a screen for #2. #2 cuts to the freethrow line area off the backscreen from #4.

If #2 catches he looks to shoot, attack on the dribble or pass out to #3 on the right top wing area off the downscreen from #5.

#4 may also roll to the basket after screening for #2.
