Maryland OB Under vs. Zone

(#5) steps back and sets a cross screen for (#2) popping to the ball side wing / corner area for the entry pass.

After (#5) sets the pick, he flashes to the basket looking for a quick pass from (#1). (#4) will flash into the open area around the high post.

(#3) clears to the top of the key area.

Maryland OB Under vs. Zone

After (#1) enters the ball he clears out to the other side of the floor for ball reversal or a shot on the backside of the zone.
