Maryland Quick Hitter

Maryland overloads the right side of the floor by sending (#3) to the block.

(#1) then passes to (#5) stepping out on the perimeter. (#1) cuts behind (#5) and receives a hand off. (#1) then takes the ball hard at the basket looking to score.

While this is happening, (#4) and (#2) are occupying the weakside defenders by down screening for (#3).

(#1) has the option to score himself on the drive or he can hit (#5) stepping back if he has the range. (#4) is also an option stepping towards the ball after down screening for (#3).
