## Early offense (1)

1

### Memphis Early Offense

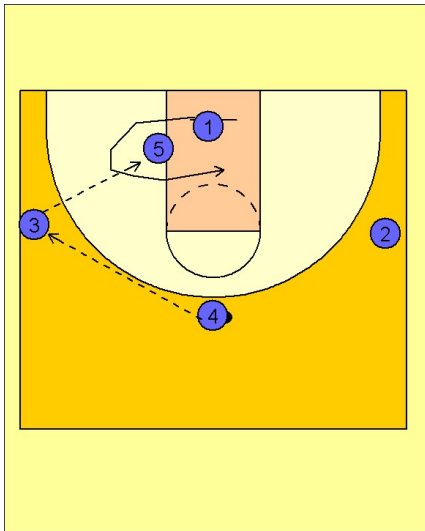

#1 dribbles up the sideline and enters the ball to #2 on the right wing. #1 cuts through down underneath the basket while #4 fills on top.

#2 passes the ball to #4 on top.

2

### Memphis Early Offense

#4 now passes to #3 on the right wing while #1 cuts under and over the post player and back into the lane. This action causes the post defender on #5 to step back and help on the cutter while #5 receives the ball with good post position.
