

Set play vs. man defense (14)

Dribble Motion Set

#4 loops around the FT line area and out while #1 drives the ball towards the middle of the floor on top.

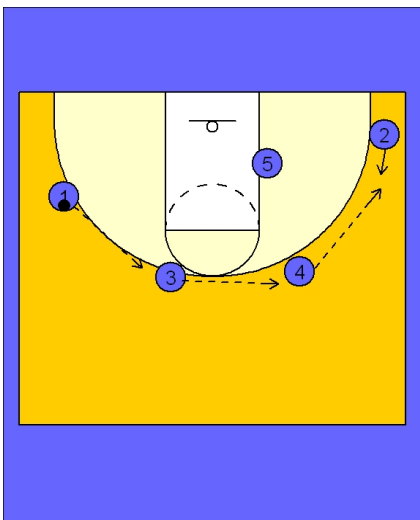

As this is happening, #3 cuts up to the FT elbow area on the left side of the floor.

Dribble Motion Set

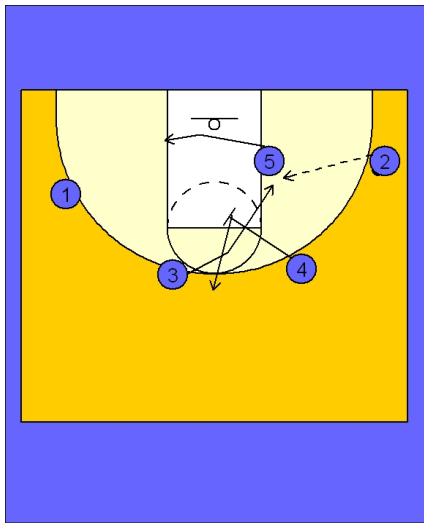

#3 now sets a ball screen for #1 on top while #5 clears across the lane to the opposite low block.

#1 will look to use the ball screen to score a layup.

Dribble Motion Set

If #1 does not get to the rim, he will bounce out to the left wing and reverse the ball to #3 on top. #3 will then pass to #4 who passes to #2 stepping up a bit on the right wing.

Dribble Motion Set

As #4 passes to #2, he will cut into the FT line area and set a screen on #3's defender who will then be cutting hard off the back of #4 into the lane area looking for a pass from #2.

As this action is taking place, #5 clears out to the opposite low block.
