Memphis Set Play vs. Man Defense

Similar to the last play with some added twists.

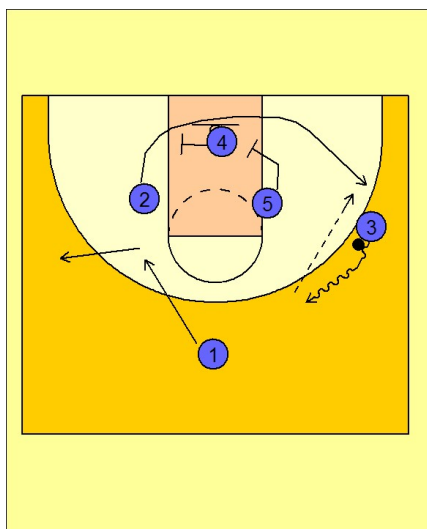

#2 comes off the staggered double screen from #4 and #5. #2 is really a decoy as he curls over the top. They are looking for #3 on this play following behind #2. #1 makes the entry pass to #3 on the right wing.

4

Memphis Set Play vs. Man Defense

When #1 receives the ball on top he looks to pass the ball to #3 on the left wing. Once #1 passes, #2 back screens for #1 to fade to the back side for the skip pass from #3. #5 then screens the screener by back screening #2 who spins around and goes to the basket looking for the lob pass from #3.
