1

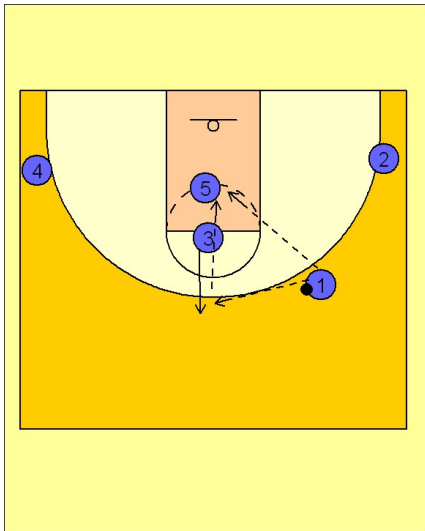

Missouri Quick Hitter vs. Man Defense

#2 and #4 are spread out wide.

#3 moves in and behind #5 to set a back screen.

#1 takes the ball to a side while #5 uses the back screen to get into the lane for good post position.

2

Missouri Quick Hitter vs. Man Defense

#3 steps out to the top of the key area.

#1 can look to pass it straight into #5 or he can hit #3 on top and look to make the high / low entry into #5.
