

### Early offense (5)

#### Michigan State Early Offense

#1 passes to #3 on the left wing and cuts to the ball side corner.

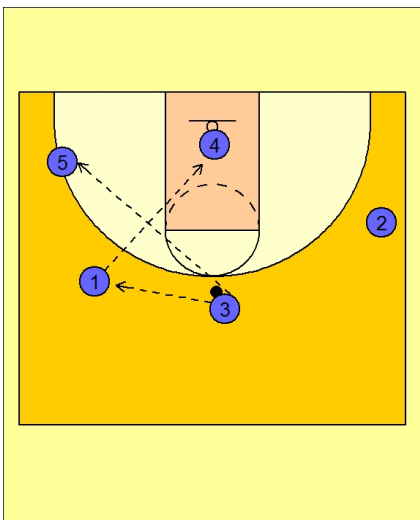

#### Michigan State Early Offense

#3 takes the ball off of a ball screen from #4 in the center of the floor.

#4 rolls to the basket.

#1 follows up behind #1 and #5 steps out to the corner area.

#### Michigan State Early Offense

If #3 cannot get the ball to #4, he will look to throw back to #1 for the shot or better passing angle.

If #1 and #5's defenders helped on the roll action, both could be open for jump shots on the perimeter with quick ball reversal.
