

# Michigan state

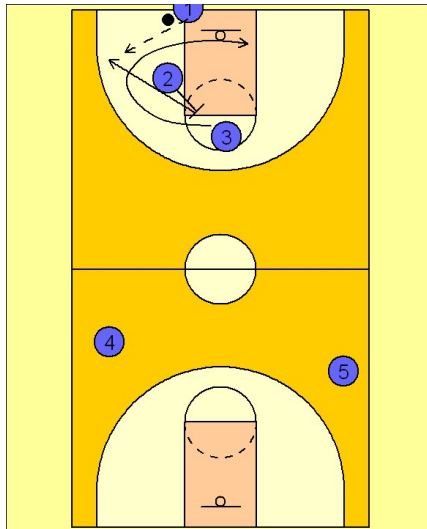

## Press breaker (2)

Michigan State Press Breaker

#2 screens for #3 around the FT line area. #3 breaks toward the ball. #1 enters to #3.

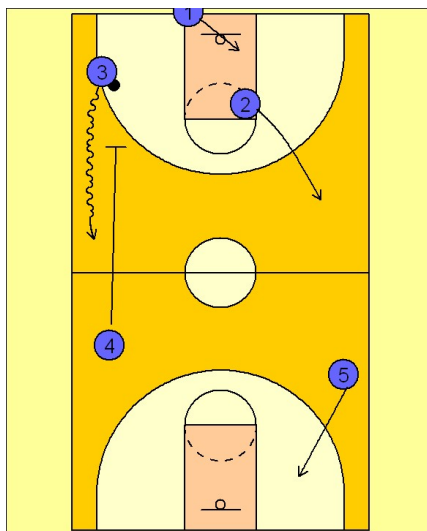

1

Michigan State Press Breaker

If #3 is not open coming off the screen he will curl around the screen and #2 will break back to the ball to receive the inbound pass from #1.

2

Michigan State Press Breaker

Once #3 or #2 receives the ball, the post player on that side will come up and ball screen for the player to dribble up the sideline. The opposite post player will cut down the court towards the basket.
