Michigan State likes to use this with the shot clock running down.

(#4 and #5) head hunt and find (#1's) defender trying to free him for a shot or a drive and kick opportunity to the (#2) man.

2

Michigan State Quick Hitter

After (#1) comes off of the screen, (#4 and #5) then head hunt and find (#3's) defender, trying to free him for a shot. (#3) can either fake low and come off high for the three point shot or fake high and cut low for the back door layup.

(#4) has the option of breaking off of the double screen action and flashing into the post area for a pass from (#1).
