

Michigan state Quick hitters (2)

1

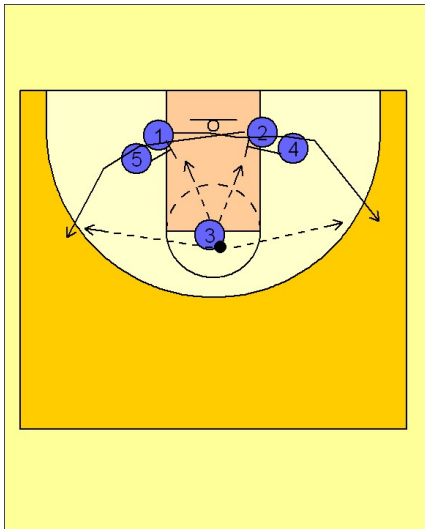

Michigan State Quick Hitters

Upon the entry pass to (#3), (#1 and #2) break hard to the basket. They could get a back door pass from (#3) if they are open.

(#4 and #5) follow just behind them ready to set screens on their respective blocks.

2

Michigan State Quick Hitters

While (#4 and #5) are setting screens on the blocks, (#1 and #2) cross out underneath and come out the opposite sides off of screens from (#4 and #5).

(#3) has the option to hit either (#1 or #2) for a quick jumper or he can look to dump it into either post player working for position after the screens.
