1

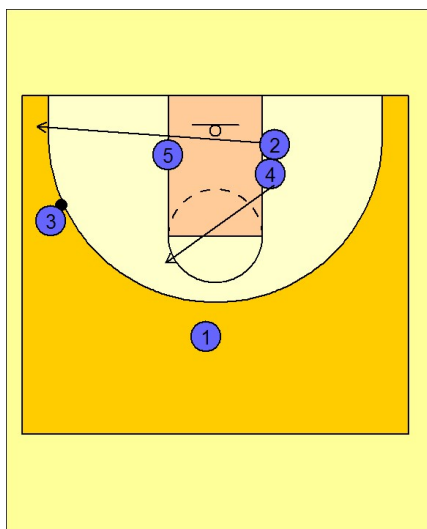

Michigan State Quick Hitter

Stack set on the blocks to begin.

#3 fakes as if he is going to use a double screen from #2 and #4 and breaks back out to the left wing area to receive the entry pass from #1.

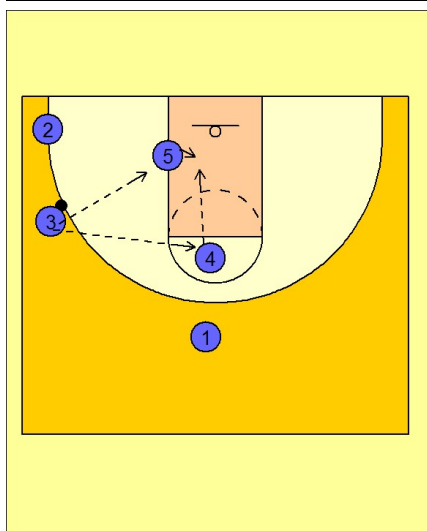

2

Michigan State Quick Hitter

Once #3 has the ball on the left wing, #2 breaks to the ball side corner while #4 flashes to the high post area. This action allows #5 to have low post position with no backside help.

3

Michigan State Quick Hitter

With the weakside cleared out, #3 looks to feed the post either directly or by using #4 on the top for a high/low entry if #5 is being fronted.
