

1

If (#3) does not get the pass, he continues on across the lane.

Michigan State Set Play

(#5) then cuts off the screen from (#1) and breaks to the ball side block looking for a post pass from (#4).

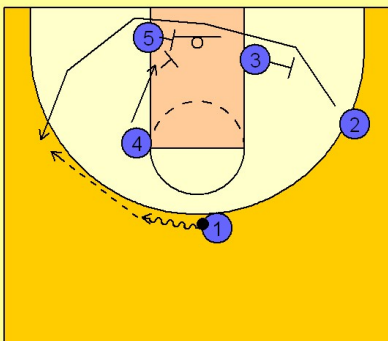

Michigan State Set Play

After (#1) sets the screen for (#5), he then pops out looking for a pass from (#4).

Michigan state Set play (4)

4

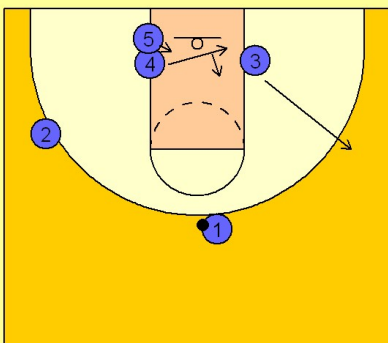

Michigan State Set Play

(#1) then brings the ball over on the dribble as
(#2) is setting up his man for a couple of screens from (#3) then (#4 and
#5) in an effort to get an open jumper on the other side.

5

Michigan State Set Play

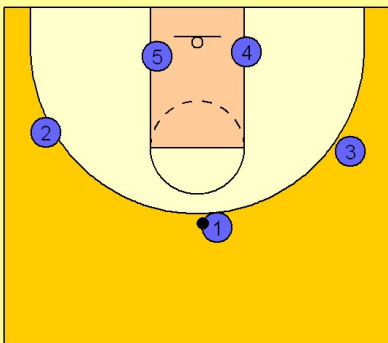

After (#3) sets the back screen, he pops out to the wing area.

(#4 and #5) shape up on the blocks and look for good post position and a
pass from either
(#2) or (#1).

6

Michigan State Set Play

They are now in their 3 out 2 in alignment, looking to run motion offense
the remainder of the possession.
