1

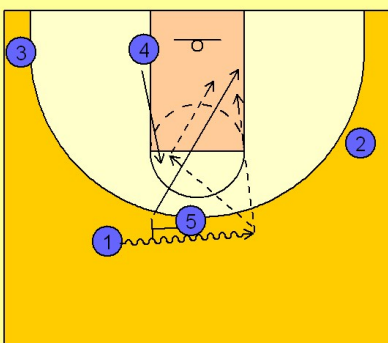

### Michigan State Set Play

(#1) dribbles across the court, towards the (#3) man. (#3) slides down to the corner and (#4) slides down to the block. When (#1) reaches the other side of the floor, he reverses his dribble looking for a ball screen from the (#5) man.

### Michigan State Set Play

As (#1) comes off the ball screen, (#5) rolls to the ball side block looking for a pass from (#1).

As (#5) is rolling to the basket, (#4) flashes to the high post for a better passing angle into (#5) if they are fronting him. (#1) would then hit (#4) for the dump down pass to (#5).
