

North carolina

Early offense (7)

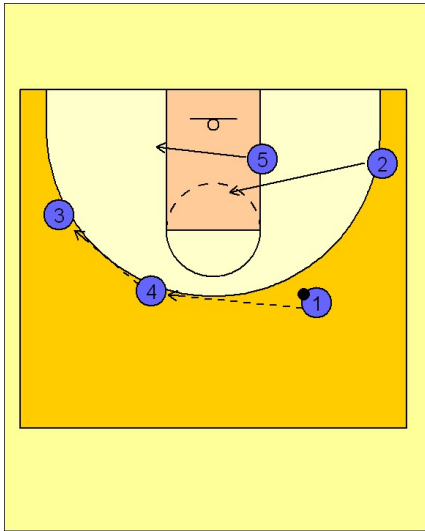

1

North Carolina Early Offense

The usual look to begin, but a nice "quick hitting" wrinkle at the end for Roy Williams and North Carolina.

#1 reverses to #4 on top who passes to #3 on the left wing. #5 follows the ball across and #2 moves into the lane to set up the back screen for #4.

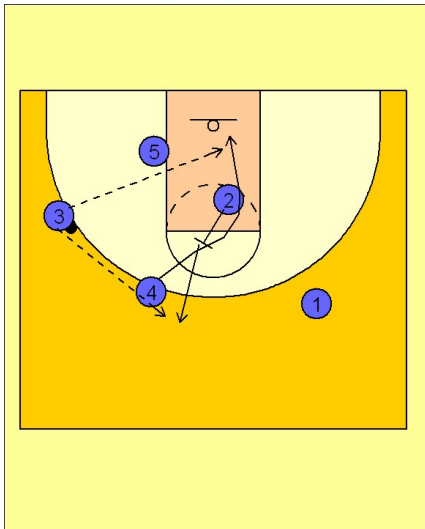

Pretty standard stuff so far for North Carolina and their early offense.

2

North Carolina Early Offense

#4 cuts to the basket looking for the lob pass from #3. #2 after screening, pops out to the perimeter.

3

North Carolina Early Offense

We will assume the lob was not there and #3 passed to #2 on top. When this happens, #5 steps out and screens #3 while #4 moves into the lane to screen for #3 as well.

#2 looks for #3 breaking off the last screen from #4.
