## Set play vs. man (6)

1

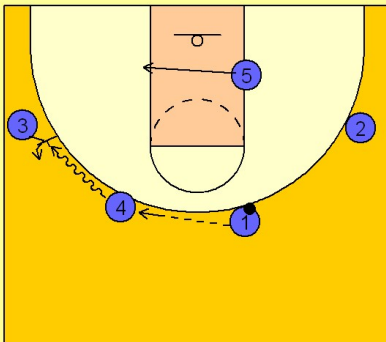

Notre Dame Set Play vs. Man

#5 sets a ball screen on top for #1. #1 comes off the ball screen while #5 rolls to the basket. #1 can look to hit #5 if he is open. #4 moves up as this is happening to replace the spot #5 has just left.

2

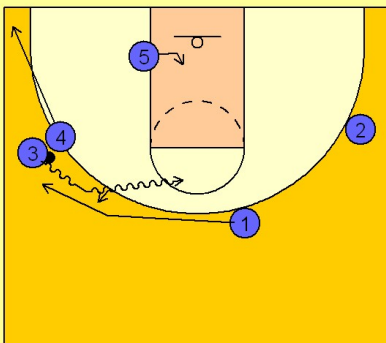

Notre Dame Set Play vs. Man

#1 passes the ball to #4 on top. #5 follows the ball across the lane. Once #4 has it, he dribbles at #3 to execute a dribble hand off and screen.

3

Notre Dame Set Play vs. Man

As #3 comes off the dribble hand off with the ball, #1 comes over the top looking for a potential hand off from #3. #4 clears out to the corner area. If #3 does not give the ball to #1 on the hand off he will continue dribbling looking for #5 ducking into the middle of the lane.
