Ohio State Set Play vs. Man Defense

#5 down screens for #4 on the left low block. #4 comes up to the top of the key area.

#4 then sets a ball screen for #1 on top. As this is happening, #2 is breaking out to the right wing area.

#4 rolls to the basket off the ball screen while #5 is flashing up to the left free throw line elbow area. #1 will look to pass to #5 at the elbow who will make the entry pass to #4 rolling to the basket. #1 may also look to make this pass directly to #4 rolling to the basket.
