Quick hitter (1)

1

Oklahoma Quick Hitter

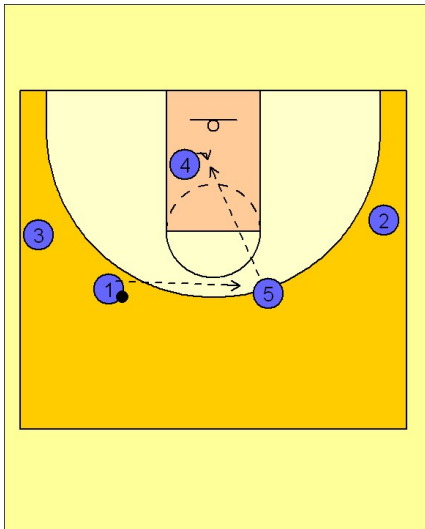

(#4) steps out of the free throw line area to set a ball screen for (#1) on top. As they are executing the ball screen, (#5) is clearing out of the lane to the top of the key area that (#1) just vacated on the dribble.

(#1) can look for (#4) rolling into the lane for the quick post up or (#1) can look to score off the ball screen.

2

Oklahoma Quick Hitter

If (#4) is not open directly from (#1), he will reverse the ball to (#5) who may have a better angle to feed (#4) in the post.
