## Quick hitter (3)

1

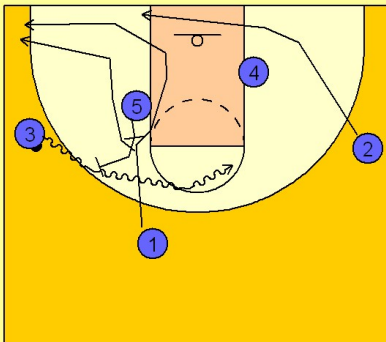

Oklahoma Quick Hitter

(#5) sets a pick for (#3) freeing him for an entry pass to the wing. (#5) then turns around and prepares to set a back screen for (#1).

2

Oklahoma Quick Hitter

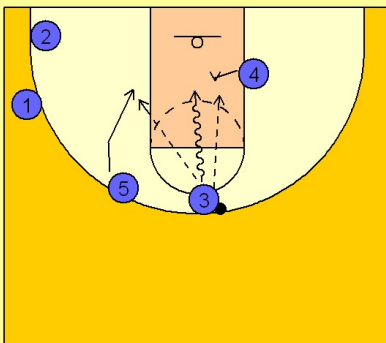

(#1) cuts to the block and out to the corner off of (#5's) back screen.

(#5) then turns and sets a ball screen for (#3).

(#3) and (#5) execute the pick and roll while (#2) is clearing out.

3

Oklahoma Quick Hitter

(#3's) immediate option is to take the ball to the basket for a score. If that is not available, he can post up (#4) or look for (#5) rolling off of the ball screen.
