Oklahoma Quick Hitter vs. Man Defense

1 - 4 high to begin.

#1 enters to either high post player. In this diagram we will have him enter the ball to #4.

As soon as #4 gets the ball, the opposite post player, #5, cuts down the lane and to the opposite low block area. #3 cuts to the same spot as if to give the impression they will screen for each other.

#1 follows his pass to #4 and sets a ball screen on the side of #4. #4 curls off the ball screen and looks to penetrate and score. He also could drive and kick out to the spotting up #2 on the right wing.
