

Oklahoma Quick Hitter (9)

1

Oklahoma Quick Hitter vs. Man Defense

1 - 4 high to begin.

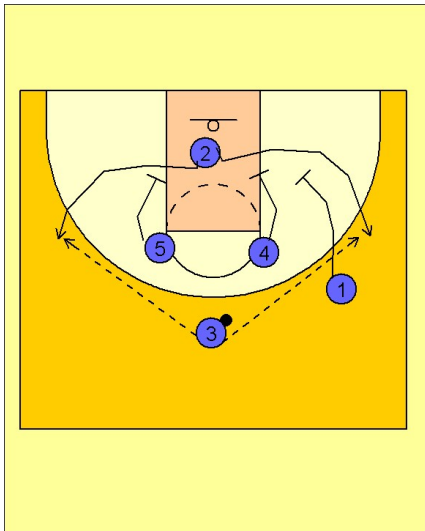

#1 dribbles in either direction off a ballscreen from #4 or #5.

Here we see #1 drive to the right wing area off the ballscreen from #4. #2 clears out down to the middle of the lane, underneath the basket.

#5 recognizes the direction #1 went with the ball and quickly turns around and screens for the wing man #3. #3 breaks to the top of the key area and receives the pass from #1.

2

Oklahoma Quick Hitter vs. Man Defense

Once #3 has the ball on top #2 will look to get open for the shot on either wing, using a single screen from #5 or a double staggered screen from #4 and #1.
