

Stanford

Ob under vs. man (3)

1

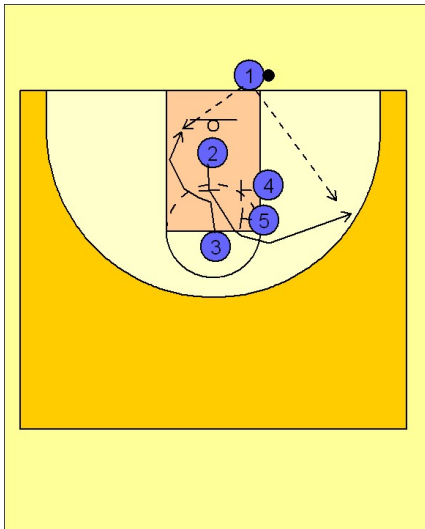

Stanford OB Under vs. Man Defense

Stanford, like many of the teams in our "members only" area will use this play with two variations.

First, #2 comes up to back screen for #3. #3 fakes using the screen and comes off the double screen set by #4 and #5. #1 looks for #3 if he is open for the jumper. #1 can also look for #4 rolling to the basket after screening.

2

Stanford OB Under vs. Man Defense

The other option is for #3 to use the back screen from #2 and cut to the basket. #1 will give him the first look, then look for #2 coming off the double screen from #4 and #5.
