Stanford Quick Hitter vs. Man Defense

Stanford does another good job of making you think another one of the standard plays are coming.

#1 steps out to receive the entry pass from #1. #4 back screens for #3 who cuts across to the middle of the lane, right under the basket. Normally Stanford would run #3 across and look to post #4 in the lane after screening.

Stanford Quick Hitter vs. Man Defense

Now Stanford makes a nice counter by having #3 turn around and get a quick down screen from #4 trying to free him for the quick open jumper in the corner / wing area.
