Syracuse Press Breaker

#1 fakes like he is going long and cuts back to the ball side corner area receiving a back screen from #3. After screening, #3 moves down the floor.

#4 fakes like he is coming up and then takes off down the floor.

#5 cuts up to the right corner area looking to receive the inbounds pass if #1 is not open.

Syracuse Press Breaker

If #1 receives the entry pass he will look to attack up the middle on the dribble while #2 steps in behind him up the sideline. #5 will sprint down the opposite side of the floor. #3 and #4 will continue moving down the floor looking for an opening.

2

Syracuse Press Breaker

If #1 does not get the inbounds pass from #2, #5 will take the pass and look for #1 cutting across the middle of the floor. #1 will catch and attack as before with #2 stepping in again up the left sideline.
