#3 cuts across to the opposite wing area. #2 moves down to the block and #4 steps out to get in position for a ball screen on #1.

2

UCLA Quick Hitter vs. Man Defense

As #1 comes off the ball screen from #4, #2 moves into the lane and sets a cross screen on #5. #1 looks to hit #5 inside if he is open or #1 will look to create off the dribble for the score or the drive and kick out to the #3 man spotting up on the right corner / wing area.
