Early offense (2)

1

Utah Early Offense

Out of transition #1 reverses the ball to the trailer man #5 who then passes to #3 on the opposite wing.

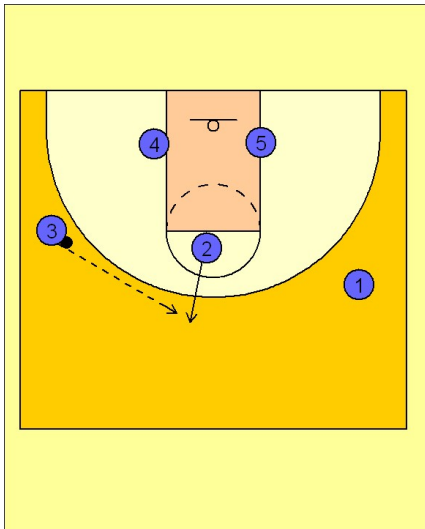

#4 follows the ball across to the ball side block. #2 moves into the lane and sets a back screen for #5. #5 uses the back screen and cuts to the basket.

2

Utah Early Offense

After back screening, #2 steps out to the top of the key.

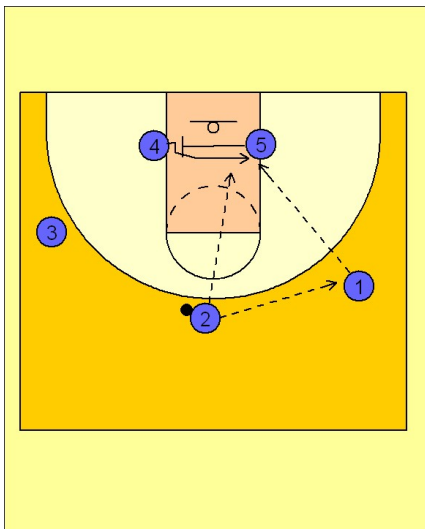

3

Utah Early Offense

Once #2 has the ball on the top of key, #5 moves across and sets a screen for #4. #2 may look to feed #4 coming over the top of the screen or he can reverse the ball to #1.

#1 may enter directly to #4 on the ball side block.

4

Utah Early Offense

If #4 isn't open, #5 flashes to the high post looking for the ball and the high / low entry pass to #4, who is ducking in to the post.

After passing to #1, #2 screens away for #3 who comes to the top of the key.
