Early offense (5)

1

Utah Early Offense vs. Man

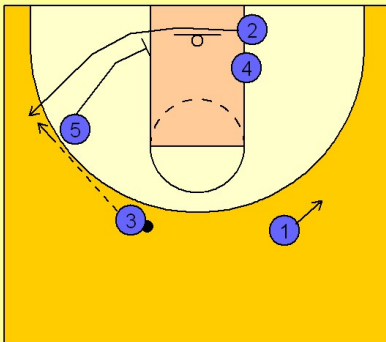

#1 brings the ball up while the trailing post player #5 screens away for the opposite wing player #3.

#1 hits #3 coming off the screen from #5.

#2 moves down to the low block area behind #4.

2

Utah Early Offense vs. Man

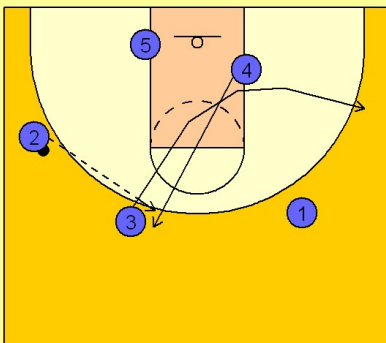

Once #3 catches the ball, #5 moves down and sets a screen for #2 coming out to the ball side wing.

#3 hits #2 with a pass.

3

Utah Early Offense vs. Man

After passing to #2 on the left wing, #3 cuts down and through the lane and breaks out to the opposite wing.

#4 flashes into the top of the key area replacing the spot #3 had just left.

#2 passes to #4 on top.

4

Utah Early Offense vs. Man

Once #4 has the ball, #5, who is isolated in the low post area, ducks into the lane looking for an entry pass from #4.

#1 screens away on the perimeter for #3.

#3 could also back screen here for #1, allowing him to fade to the back side wing for a skip pass from #4 (not diagramed).
