Ob under vs. man (3)

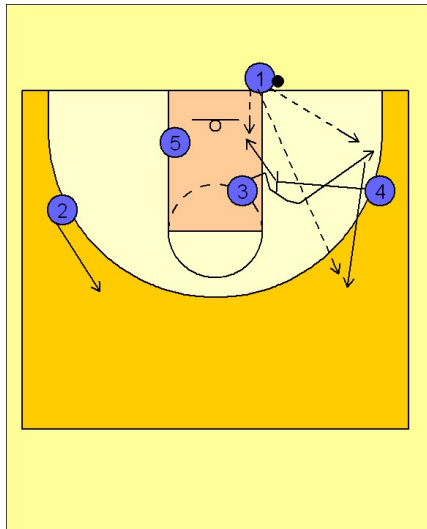

1

Utah OB Under vs. Man Defense

#3 starts the play by back screening for #5 who cuts to the opposite block looking for the quick hitting entry pass from #1.

Utah OB Under vs. Man Defense

The next option is for #4 to move in and screen for #3 who breaks out to the ball side corner area looking for the entry pass from #1.

#4, after screening, steps into the lane looking for the post entry pass from #1.

If neither option is open, #3 will pop out on top looking for the long inbounds pass.
