1

Villanova Half Court Offense vs. Man Defense

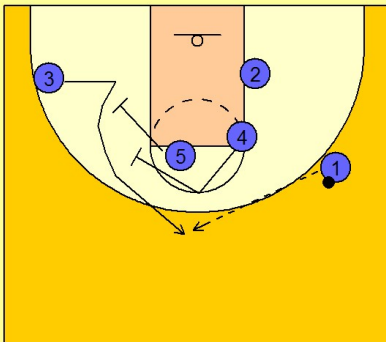

This certainly would fit the category of "set play" but Villanova ran this play 80% of the time down the floor, which prompted us to upgrade it to their half court offense.

#2 and #5 set a double screen on top for #1. #1 drives the ball over the top of the double screen. As #1 drives over the top, #4 moves up to set a back screen for #2 who cuts to the ball side low block. #1 looks to enter the ball to #2 if he is open.

2

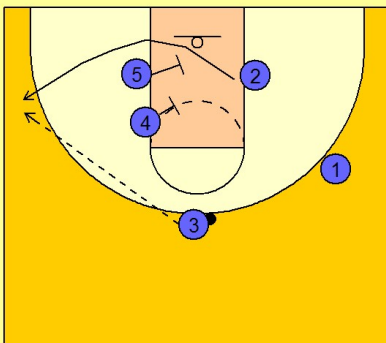

Villanova Half Court Offense vs. Man Defense

If #2 is not open, #4 and #5 screen away for #3. #1 looks to hit #3 on top for the open jump shot.

3

Villanova Half Court Offense vs. Man Defense

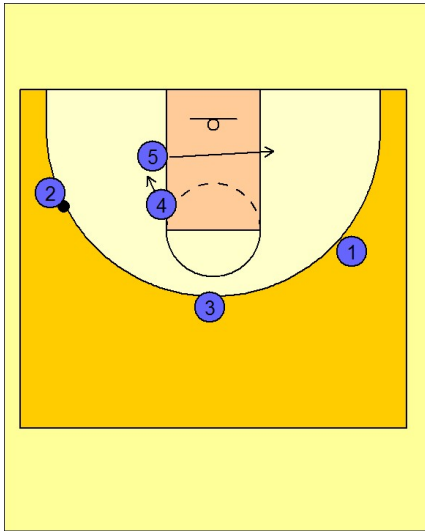

Once #3 receives the ball and does not have a shot, #5 and #4 double screen for #2 breaking out to the left wing / corner area for a shot.

4

Villanova Half Court Offense vs. Man Defense

If #2 does not have a shot, Villanova is in there 3 out 2 in alignment and will run their motion offense from here, utilizing ball screens, dribble penetration, and screen away's on top, and post high / low flashes and screening inside.
