## Ob under vs. zone (1)

1

Villanova OB Under vs. Zone Defense

#3 and #4 stacked up on the left FT line elbow area. #2 on the low block away from the ball and #5 at the right FT line elbow area. To start the play #5 cuts down the middle looking for the inbound pass while #4 is screening the top defender for #3 to get open on the left wing area.

#2 breaks straight out as a safety entry pass.
