**Villanova Quick Hitter vs. Man Defense**

#1 enters the ball to #3 on the left wing. While this pass is happening, #4 and #2 are exchanging spots on the right wing area.

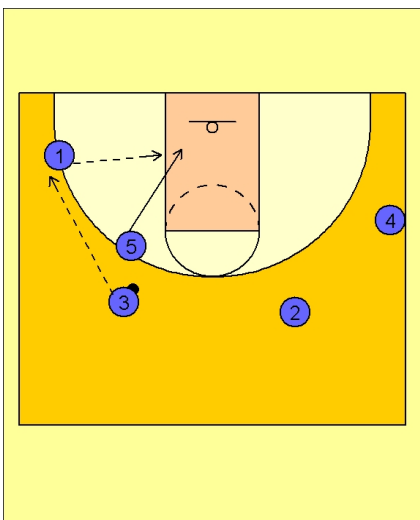

On the pass to #3, #5 is cutting up to set a ball screen for #3.

#3 drives hard off the ball screen and then passes the ball on top to #2.

Depending on how the defender was guarding the screen and roll, #3 could pass the ball back to #1 in the left wing area who will then feed #5 rolling or posting up on the left block.
