Villanova Side-Out vs. Man Defense

Line alignment to begin.

#3 breaks out to the top while #5 cuts to the ball side low block.

#3 is only a decoy as he immediately cuts to the back side of the floor and down to the opposite low block area.

As #3 is cutting away, #4 is screening for #2 to get him open for the entry pass from #1.

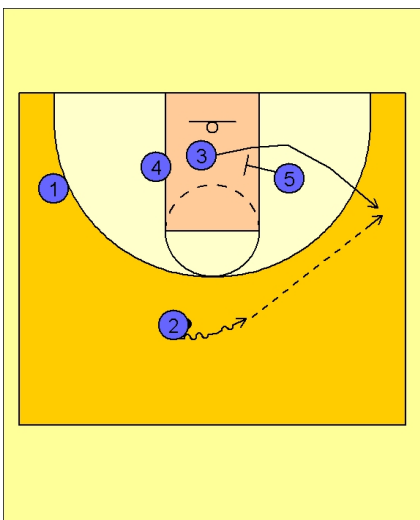

Villanova Side-Out vs. Man Defense

Once #2 has the ball, #5 steps out of the lane, #3 moves to the middle of the lane and #4 hustles down to the left low block area.

#1 uses a triple staggered screen from #5 and then #3 in the middle and finally #4 on the left low block.

#2 brings the ball over on the dribble looking to enter the ball to #1 if he is open for the shot.

Villanova Side-Out vs. Man Defense

If #1 does not get the ball, #5 has turned around after #1 cut off of his screen. #5 is now looking to screen for #3 in the lane.

#2 keeps his dribble alive and brings the ball back to the right side of the floor looking for #3 coming off the down screen from #5.
