

Ob under vs. man (7)

Wake Forest OB Under vs. Man Defense

Game winner against Duke.

4 across to begin.

#4, #5 and #3 screen for their best player #2.

Wake was counting on #3's defender looking to switch out on #2....they did.

#3 "slipped the screen", meaning leaving the screening action just before the player he is screening for arrives, and cut to the basket for the inbounds pass from #1 and the wide open lay-up.
