Ob under vs. man (2)

1

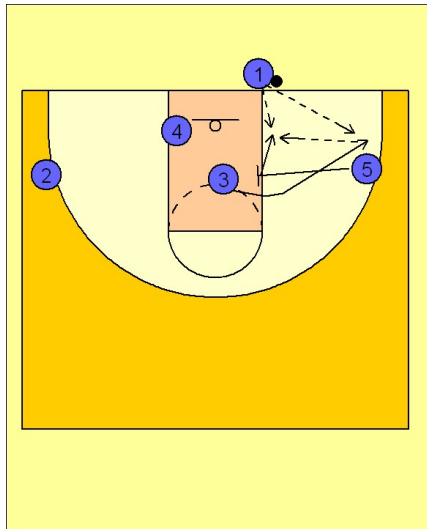

Wake Forest OB Under vs. Man

Another variation on the 1 - 4 low across alignment.

Notice some positions have been changed.

#4 flashes out to the elbow looking for the inbounds pass in the previous play. This time he does not get the pass, and uses a back screen from #3. #4 cuts to the basket looking for the quick hitting first option.

Wake Forest OB Under vs. Man

After #3 screens for #4, #5 moves in and screens for #3 trying to free him in the ball side corner for the entry pass from #1.

#5 flashes into the post after screening. He can receive the ball directly from #1 or from #3 if entered to the corner.
