#### Wake Forest Quick Hitter vs. Man Defense

Like most teams, Wake will use "America's Play" and try to post #3 on the ball side block while setting a double screen on top for the shooter #2.

#### Wake Forest Quick Hitter vs. Man Defense

A nice adjustment Wake makes on this play is when #2 comes over to screen for #3, #3's defender begins to fight over the top of #2's screen.

#2 then turns around and back screens #2's defender, #3 fakes his cut across and they throw a lob pass to the opposite side of the rim.

Wake got two back-to-back dunks vs. Boston College on this play.
