Wake Forest Quick Hitter vs. Man Defense

#4 and #5 are stacked at the FT line. #1 dribbles over the top of #4 and #5. As #1 comes off the screen #5 rolls to the basket looking for the quick pass from #1. If #5 is not open, #1 will either look to attack the basket or drive and kick out to #2 on the right wing. #1 could also look for #4 stepping out for the perimeter shot.
