7

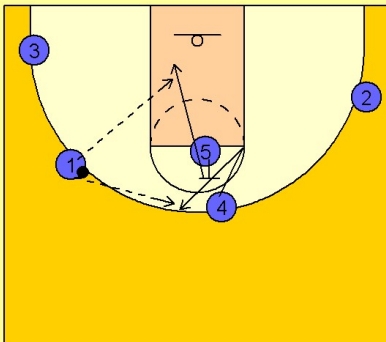

West Virginia Half Court Offense vs. Man Defense

The offense continues with #4 driving the ball at #1 who cuts toward the dribbler and then back door. #3 is v-cutting and breaking out to receive the pass from #4. #2 moves out to the right wing / corner area after he cut to the basket off the back screen.

8

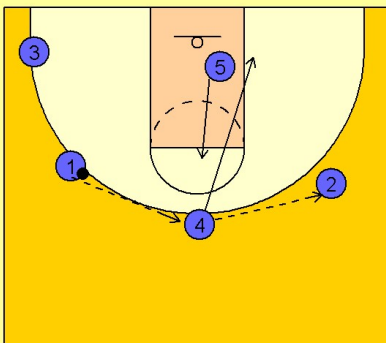

West Virginia Half Court Offense vs. Man Defense

At anytime in the offense, the man on top using the back screen from #5 may take a few steps toward the basket and then come back to the ball on top. If this happens, #5 will read it and cut to the basket looking for the pass from #1.

9

West Virginia Half Court Offense vs. Man Defense

When that does occur, the offense can continue quickly with #4 now catching the ball on top and reversing it to #2 on the right wing. #4 now cuts to the low right block as if he cut their originally and #5 moves back up to the free throw line area.
