

# West virginia Ob under vs. man (2)

1

West Virginia OB Under vs. Man Defense

Great screening action on this play.

#2 screens for #4. #4 cuts across the lane and screens for #5. Before #5 cuts, #2 is cutting right behind #4 and using a screen from #5 to get open in the left corner / wing area. #4 will slow down just after coming off the screen by #2 so that #2 can cut ahead of him off of #5's screen. After #2 comes off the screen #5 now uses #4's screen and cuts to the basket looking for the inbounds pass from #1.
