Early offense (2)

1

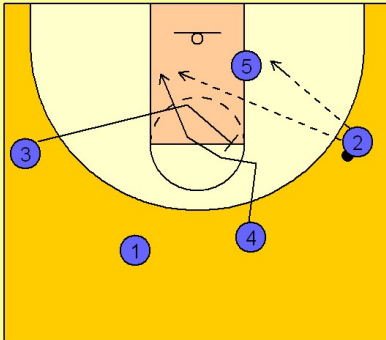

Gonzaga Early Offense

#1 enters to the #3 man on the wing. #5 posts on the ball side block. #3 will give a quick look into the post player #5. He then reverses the ball to #1 who reverses it to #4 who passes it to #2 on the opposite wing. #5 follows the ball and slides across to the ball side block.

2

Gonzaga Early Offense

After #3 reverses the ball, he moves into the lane setting up a back screen for #4. After #4 passes to #2 on the wing, he will use the back screen from #3 looking for the lob pass on the back side. #5 will look to isolate in the post.
