Quick hitter vs. man (3)

1

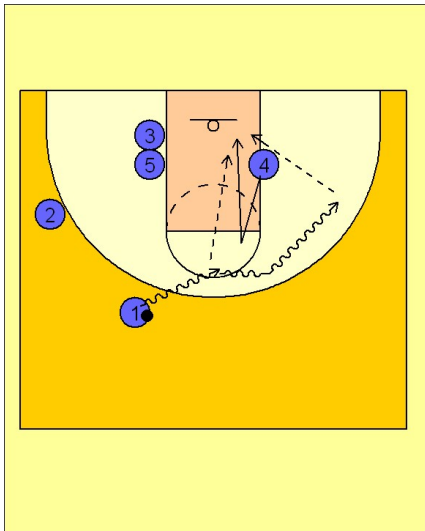

Gonzaga Quick Hitter vs. Man

Double stack low to start.

#2 comes off the double on the ball side of the floor. #3 and #5 set the screen. This is more of a decoy as it is not what they are looking for in this sequence.

2

Gonzaga Quick Hitter vs. Man

Gonzaga has created a clear out on the back side. #1 takes the ball on the dribble to the middle of the floor.

#4 flashes to the high post as if to receive an entry pass from #1.

#4 then cuts to the basket looking for the quick lob from #1.

If the lob is not there, #1 continues on the dribble to the wing area looking to find #4 posting up on the block.
