Zone offense (1)

1

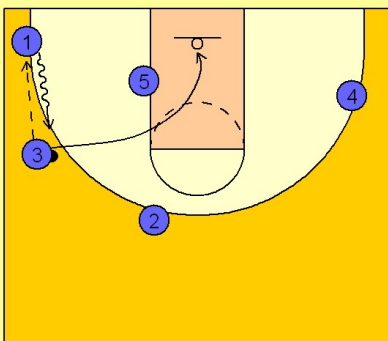

Gonzaga Zone Offense

#1 starts the offense by passing to #2 and cuts through the lane to the ball side corner. #4 steps out to stretch the back side of the zone defense.

2

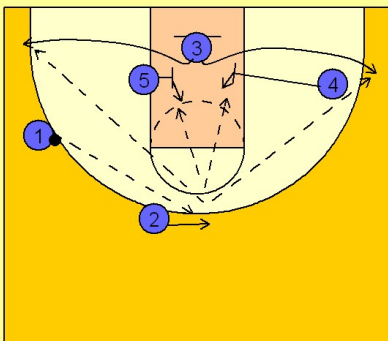

Gonzaga Zone Offense

If #3 passes to #1, #1 will dribble at #3 who will clear out to underneath the basket.

3

Gonzaga Zone Offense

As #1 passes to #2 on top, #4 moves in to screen on the block while #5 screens on his block.

#3 makes a decision as to what screen to pop out of, trying to get open for the perimeter shot on either wing.

#4 and #5 step in and post for a "2" count after screening.

Gonzaga Zone Offense

Once the ball is passed to the wing on the other side of the floor, #4 and #5 work the "high / low" game in the post areas.

5

In the beginning, if #3 did not pass it to #1 in the corner, #1 would then become the baseline runner and come off the screen set by #4 on the opposite side.
