## Ob under vs. man (4)

1

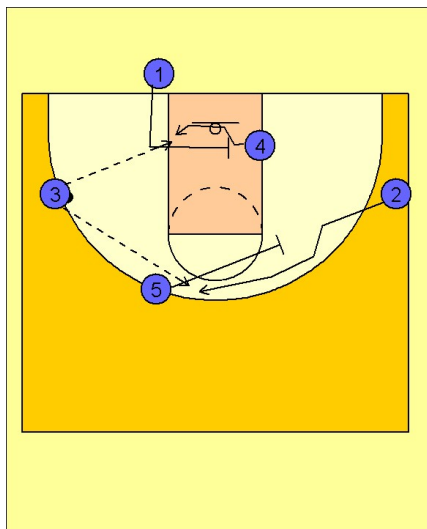

Boston College OB Under vs. Man Defense

#4 slides across the lane to start the play and screens for #5 and then seals and tries to get position inside for the pass from #1.

#5 pops out to the ball side elbow high area while #3 moves in to seal for a potential "pop pass" out from #1.

Once #5 has the ball he will pass to #3 on the left wing.

2

Boston College OB Under vs. Man Defense

Once #3 has the ball, #5 screens away on top for #2 trying to free him for a jumper on top while #1 steps in and then cross screens for #4, bringing him to the ball side low block.

This may be effective if you force a switch defensively with your point guard and your post player.
