

Boston college

Ob under vs. man (5)

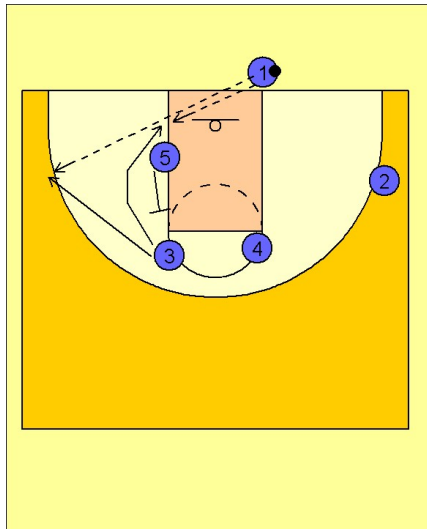

1

Boston College OB Under vs. Man Defense

The play begins with #5 moving across the lane away from the ball while #4 and #3 set a screen for #2. #2 breaks to the ball side wing for the open jumper.

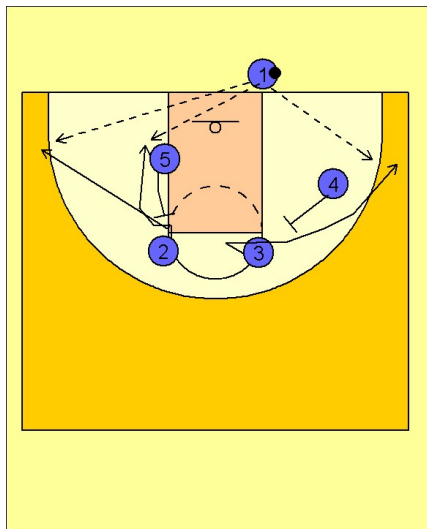

2

Boston College OB Under vs. Man Defense

If #2 does not have the shot, #3 uses a back screen from #5 to get open cutting to the basket or out to the opposite wing area.

3

Boston College OB Under vs. Man Defense

Another option on this play is for #3 to fake like he is screening for #2 and then use the screen from #4 to get open in the right wing.

#2 would then use the back screen from #5 to get open cutting to the basket or out on the opposite wing area.
